RE: Business Park out building lease

Purpose

For several years, Robert Earley has been renting one of the sheds located at the business park. Since that land is now owned by the City, the City decided to honor the previous agreement and allow Mr. Earley to continue to rent the machine sheds. The shed has no value to the City and will be demolished once development begins. Until that time, City staff has no issue with Mr. Earley continuing to rent the building.

Recommendation

Staff recommends the following ordinance be passed and approved authorizing the City Manager to enter into a contract with Robert Earley for the lease of a machine shed located at the business park.
