RE: Cameron Housing Authority Re-appointment

Issue:
The Cameron Housing Authority consists of five (5) members who have staggered term expiration dates. The term of Frank Buck expires in August. Mr. Buck has agreed to serve another four (4) year term each if reappointed. A notice was published at the end of May seeking interest for anyone willing to serving on the Authority. No responses were received other than Mr. Buck's (attached). Housing Authority member Debbie Hahn plans to attend the meeting if Council has any questions.

Recommendation:

The Cameron Housing Authority recommends the re-appointment of Frank Buck to the Authority.
