RESOLUTIONS 2019-20 & 21

AGENDA ITEM

TO: Mayor and City Council

FROM: Public Works Director, Drew Bontrager

DATE: July 1, 2019

RE: Notice of Award to M&M Utilities, LLC for Ashland Drive Project

PURPOSE

The attached Resolution authorizes the City Manager to issue the official Notice of Award to M&M Utilities, LLC for the Ashland Drive Project. Once the Notice of Award is issued, M&M Utilities, LLC may begin to obtain all the final bonding, insurance and other contract document execution necessary to enter into the contract for services. We anticipate having the executed contract to present to Council to enter into a contract at the next meeting.

BACKGROUND

This is one of the projects listed as part of the Street Improvement Sales Tax. Improvements will occur on Ashland Drive, from Eighth to Grand and includes the intersection at Harris Lane. Also included in this project is the complete replacement of the sanitary and water mains.

Bids for the Ashland Drive Project were opened on June 25, 2019, with a total of two (2) bids received, CP Excavating and M&M Utilities, LLC. M&M Utilities, LLC, was the low bidder with a Base Bid with Pavement Alternate A bid of $1,763,460.25, and Base Bid Pavement Alternate B bid at $1,924,148.00. Both alternates are lower than the Engineer's Opinion of Total Probable Cost. The bid tab is attached for your review.

Pavement Alternate A is asphalt and Pavement Alternate B is concrete. There is an additional cost of $160,687.80 to go with the Pavement alternate B concrete option. There are many advantages to concrete; however, the budget savings of $160,687.80 could be used for additional projects.

There are two resolutions presented for your consideration, one for each alternate. Only one resolution will pass.

RECOMMENDATION

Our engineers have checked references, bonding capacity and other sources to verify M&M Utilities, LLC, ability to complete this project and recommend award of bid.
