Governor's Medal. Chief Basher will receive the Governor's Medal at 10:00AM on October 7, in Jefferson City, for actions in connection with the prison riots last year. I will join him there for the occasion to represent the City. Anyone else who is available would be welcome to join us.

MIRMA Grant. The police Department also received a grant from MIRMA in the amount of approximately $1700 for the purpose of purchasing Holding Cell Surveillance Cameras. This is about 75% of the camera's total cost with the City providing the remaining cost.
