RE: Caterer Permit for Elvis & Johnny Tribute Show

Issues

Lea Anderson with 'The Sip' from Chillicothe, MO has submitted a request for a caterer's permit to sell beer/wine at the Elvis & Johnny Tribute Show to be held at the Old School, 116 W. Fourth St. on Saturday, October 26th. Ms. Anderson has submitted the necessary application, copy of their State of Missouri liquor license, letter of permission from the property owner where the event is to be held and the applicable fee.

If approved, a caterer's permit will be prepared and disseminated after the applicant submits his State of Missouri caterer permit for the event.

Recommendation

The Police Chief, Fire Chief and Building Inspector were consulted and they have no concerns with issuing the permit. Staff recommends approval.
