RESOLUTION 2019-33
AGENDA ITEM

TO: Mayor and City Council

FROM: Public Works Director, Drew Bontrager

DATE: November 4, 2019

RE: **Notice of Award to Mega Industries Corporation for Grand & Walnut Pedestrian Improvements**

PURPOSE

The attached resolution authorizes the City Manager to issue the official Notice of Award to Mega Industries Corporation for the Grand Avenue and Walnut Street Improvements.

BACKGROUND

Once the Notice of Award is issued, Mega Industries Corporation may begin to obtain all the final bonding, insurance and other contract document execution necessary to enter into the contract for services. We will also use this to notify the Missouri Department of Transportation our intention to award to Mega Industries Corporation. The Department of Transportation will also review the bid and issue a letter of concurrence for award. We anticipate having the executed contract to present to Council to enter into a contract at the next meeting.

Even though Mega Industries Corporation bid of $246,729.00 was the only bid received, this amount is within the estimated range and our grant funding limits. Our engineers have also worked with this company on other successful projects. A letter of recommendation to award from Transystems Engineering is attached.

RECOMMENDATION

Our engineers have checked references, bonding capacity and other sources to verify Mega Industries Corporation, ability to complete this project and recommend award of bid.
