RE: Annual Liquor License Approvals

Issue:

Liquor licenses expire June 30th each year. This year, in light of the Covid-19 pandemic the expiration date has been extended until August 31st. As always, the City of Cameron liquor license is only valid in conjunction with the appropriate County and State liquor licenses. ***This meeting is the last opportunity for annual liquor licenses to be renewed before their existing licenses expire.***

At the time the packet was sent out, the liquor license renewal applications for Nelle's Restaurant and Jonez Travel Mart were not received despite multiple communications with the business manager. If the renewal process has not been completed by the time of the Council Meeting, the request to renew the license will be removed from the consent agenda. This will result in their licenses expiring at midnight and they will have to cease all liquor sales until such time as they obtain their renewal.

Nelle's Country Restaurant	-Retail Liquor by the Drink Resort & Sunday by the Drink
Jonez Travel Plaza	-Original Package Liquor & Sunday Original Package Liquor

Recommendation:

Staff recommends approval only if renewal process has been completed by the time of the meeting.
