RE: LAGERS – Employer Delegate

Issues

LAGERS is planning to host an in-person Annual Meeting on October 29-30 at Margaritaville Lake Resort in Lake Ozark. If the in-person meeting is not possible, they have other alternatives ready to go.

The ***employer delegate*** participates in the employer trustee election and is appointed by the ***Employer's Governing Body***. This appointment can be done through a simple motion and vote at a Council Meeting. LAGERS prefers that this be a member of the municipality's governing body but it can be a staff person appointed by the board to vote in their absence.

A ***member delegate*** election is also taking place among City employees by secret ballot to select a delegate attendee amongst themselves.

There are no registration fees for this annual meeting. The only cost to the City is travel and lodging expenses.

Recommendation

Any Councilmember interested and available to attend the LAGERS Annual Meeting please make their wishes known and the Council can make a motion and vote to select their delegate.
