City Manager Report

To: Mayor and City Council

From: Steve Rasmussen, City Manager

Date: November 16, 2020

Re: Manager's Report

Large Item Trash Pickup. The Public Works/Utilities Committee took up the issue of large item trash pickup at its November 2nd meeting. The issue required more work, however, and so the committee therefore requested it be brought back to the committee at a later time.

December 7th Council Meeting. The Community Center is not available for the December 7th Council Meeting. We could move the meeting to the 8th, move to a different location or cancel the meeting entirely and move the agenda items to the December 21st meeting. Staff recommends canceling the December 7th meeting.

City Manager Vacation. I would like to remind the Council that I will be on vacation during Thanksgiving week, from November 20th to December 30th, and will appoint Zac Johnson as acting City Manager during that time.
