RESOLUTION 2021-23

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

DATE: June 7, 2021

RE: **Community Center Parking Lot Asphalt**

PURPOSE

The attached resolution would authorize the City Manager to enter into an agreement with Keller Construction for the asphalt construction improvements at the Community Center parking lot.

DISCUSSION & RECOMMENDATION

City staff received quotes from two companies and a non-response from a third. Keller was the lowest with a unit cost of $23.50 per square yard and Asphaltic Surfaces came in at $30.12 per square yard. We have all the required documents and are recommending entering into an agreement with Keller Construction Company for the Community Center parking lot at an estimated cost of the parking lot at approximately $54,000.

The quote also contained a price for full depth street replacement at $44.55 per square yard. We are going to replace a section of S. West Street, south of Prospect, adjacent to the new Weston Estates Subdivision.
