Third Street Buildings. Main Street, Inc. decided not to agree to take on the Third Street Building revitalization project. The Historic Preservation Society, however, were enthusiastic about taking on the project and have signed the agreement. We will bring this back to Council for approval at the next Council meeting.

Senior Patio Homes. We were notified today by the National Guard Foundation that the Senior Patio Homes are now 100% occupied. They are occupied with 100% Veterans or Veterans families.
