RE: Distribution of Budgeted Funds

Issues

The City of Cameron budget for fiscal year 2021–2022 contains a contribution to the Cameron Library in line item 10-10-255-00, Community Function/Partnership.

The funds in this line item are identified as:

North Central Missouri Business Facilitation	$ 3,500.00
Cameron Library	$50,000.00

Distribution of funds to the North Center Missouri Business Facilitation was made in October 2021. The Cameron Library will be starting the improvement project soon. The completion of the Library improvements, however, will not occur prior to the end of the fiscal year, September 30, 2022. This Ordinance will allow for the distribution of $50,000.00 of budgeted funds prior to completion of the improvement construction so that no further budgetary action of the general fund is required.
