Purpose

The American Rescue Plan Act has allotted grant funds to be administered by various state agencies to fund municipal projects. Staff has been/is working on three possible projects. The first grant is the Community Revitalization Grant consisting of projects for the 3rd Street buildings, Community Center, Library, and sidewalk improvements. The current cost estimate for these projects is $1,687,318.12. The City will be responsible for 50% of project costs, any engineering fees, and Mo-Kan's administration fee. Total cost to the City will be approximately $1,031,745.

The second and third grants are the Peace Officer and Fire Protection Grants. Both Chief Bashor and Chief O'Donnell are pursing these grants to purchase communication equipment. These grants are also a 50/50 match and are a maximum award of $20,000 each.
