RESOLUTION 2023-10

Agenda Item

To: Mayor and City Council

From: Steve Rasmussen, City Manager

Date: March 20, 2023

Re: Support for Community Project Funding for Airport Runway Improvements

Issue:
Runway 17-35 is the sole runway serving Cameron Memorial Airport and is experiencing rapid deterioration. With funding in place to properly administer our desired project to reconstruct runway 17-35, we would eliminate the present deterioration concerns and preserve the economic impact the airport has to the City of Cameron.

Recommendation:
Staff recommends Council approve the Resolution and allow the City Manager to sign a letter of support for community project funding for airport runway improvements.
