RESOLUTION 2023-42

Agenda Item

TO: Mayor and City Council

FROM: Zachary Johnson, Director of Utilities

DATE: September 18, 2023

RE: Electric Department Pole Inspections

Purpose

In order to maintain a quality distribution electric system, it is necessary to conduct pole inspections. This effort enables us to identify poles that need attention, poles that need treatment, or poles that need replacing. The inspection process will also update our pole inventory with attachment data and GPS data.

Staff uses Osmose to provide this service for the City. The following Resolution will accept a three-year pricing agreement with Osmose for the continued service.

Recommendation

Staff recommends the Council approve the Osmose proposal for a three-year pricing agreement for pole inspection and treatment. Funds necessary for this service were considered in the FY24 Budget.

Resolution 2023-42

A RESOLUTION FOR THE CITY OF CAMERON, MISSOURI TO ACCEPT A PROPOSAL FOR UTILITY POLE INSPECTION AND TREATMENT FROM OSMOSE

WHEREAS, the City of Cameron's Electric Department owns and operates the electrical distribution system; and

WHEREAS, the City has the need to inspect and treat existing utility poles currently used in the distribution system; and

WHEREAS, Osmose can provide such service.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, MISSOURI AS FOLLOWS:

Section 1. The Council does hereby accept the three-year pricing agreement for utility pole testing and treatment services from Osmose.

Section 2. This Resolution shall become effective upon the date of its adoption.

Section 3. The Mayor is authorized to sign this Resolution on behalf of the City of Cameron.

Section 4. The City Clerk is hereby directed to attest to the Mayor's signature.

PASSED AND APPROVED this 18th day of September 2023.
